## **CHFSC VISION**

**“A place where people can play out their passion for skating.”**

## **CHFSC MISSION**

**“To empower all skaters to be champions on and off the ice”**

Above is our vision and mission statement for CHFSC. As we plan and prepare for the various activities, competitions, shows, and events, we thought it best to evaluate our skaters' interests and define our purpose to serve the members of the club in the best way that we can. Please fill out the survey to the best of your ability. The additional line is provided for those with more than one skater. Your input will help focus our club to empower champions on and off the ice. Definitions of below categories are listed on the back of this sheet. Please return survey to the rink or Spring Fling. Thank you for your time and attention!

On a scale of 1-5, with 1 being the least favorite and 5 being the favorite, please rank the skater's interests. An additional line is provided for families with more than one skater. The categories are defined on the back of this questionnaire:
